**DESCRIPTION** Company specialized in the production of Italian high quality cured salamis, mortadella, cooked hams. Today, Golferà is a leading ambassador of Italian cured specialties around the world:

- in France, Switzerland, Germany, and further afield in the United States and Canada. That's confirmation of the global prestige enjoyed by the Italian gastronomic tradition and the Golferà brand;
- we hold IFS and BRC certification, the two leading international food safety standards for the retail sector;
- we participate in the leading national and international food shows, such as Cibus (Parma), Anuga (Cologne) and Tuttofood (Milan), where we have won major accolades for product innovation;
- we have expanded and renovated our factory, a production area over 38,000 m<sup>2</sup>, dedicated to processing and production (curing, refrigeration and storage) and offices;
- we make cured meats of high nutritional value and reduced fat content, with an emphasis on flavour, wholesomeness and lightness;
- we have introduced a range of products that are totally organic from farm to packaging, produced with total respect for animal welfare and the natural rhythms of nature and the environment.
