Bilateral Meetings

- 02:00 pm - 06:30 pm

Description

As a mexican italian business association we link both countries either to find clients, suppliers or develop the business thru marketing research and business counseling at a B2B level. We can find partners in almost any sector. We are not just specialized in developing your enterprise out of it's boundaries, what make us really unique is that we understand very well both languages and both business cultures, giving always win win long term relationships.
