Business Offer

Business opportunities in Turkish Market

Microlab started an activity aimed to verify the interest of

Companies to operate in Turkish market, not just in Electronics/ICT areas but even in Mechanics, Food, Tourism, Building, etc.

Microlab is now partner of Eurosis, that's a Turkish Company making scouting and supporting both in pre-deal and post-deal phases the Companies willing to make business in Turkey or that already operate in Turkey but want to increase their portfolio.

Members of Eurosis are people coming from primary Consultancy Companies (Accenture, Gartner, Pricewaterhouse) and from board of directors of primary Turkish Companies, both public and private.

Currently Eurosis has his headquarter in Turkey and offices in Dubai and Kuala Lumpur.

Moreover the well-established presence in Turkey is a bridge to the rich economies of the ex Soviet Republic countries, the like of Azerbaijan, Kazakhstan e Turkmenistan, countries that, as said, are very rich but have a lot of work to do around infrastructures and services.

For this purpose Eurosis is now promoting a venture called "The New Silk Road" aimed to make business in above ex Soviet Republic countries, UAE/Saudi Arabia and Malaysia.
