Description

Our business consultants support foreign companies even when their investment goes beyond the search of a supplier. The financial experience of Globe Italy means its business consulting can help foreign companies pursue projects of partnership and joint venture with Italian companies, in order to maintain production in Italy through new investments, that may restart the production for those companies that wish to grow. A win-win solution that gives foreign companies a privileged access to innovation, ideas, Made in Italy, and to Italian companies the opportunity to continue to be productive in our country.
