Business Request

Looking for a distributor of our wine and balsamic vinegar in japan

Acetificio Brivio is an Italian company specialized in the production of high quality wine vinegar, balsamic vinegar, condiments and balsamic glazes. Born in 1845 Brivio's family produce vinegar from one generation to an other by using exclusively Italian ingredients.

The company is very flexible in adapting labels and favours to export markets and it is now looking for officila distributors into Japanese market.

Keywords: vinegar condiments
