Description

We are a union of small producers in central Italy (Molise Region). All our products have been born for the love and passion of our craftsman. We are a young company, but we want to grow with our land. The experience of Molise Sapori is based precisely on this basis: on love, passion, culture and traditions of their land, which now unite with its founding ten years of experience in the agro-economic development. With this vision, we have united under a single brand, the products of excellence Molise, Molise Flavors and today is a young and dynamic company that aims to grow with a territory yet to be discovered. All our products, of high quality, selected by us after careful, come only from family-owned small businesses, which use only molisano raw materials and this ensures, thanks to the artisan process that "genuineness frank", typical of this region. We can offer various handcraft: truffle, extra virgin olive oil (flavoured and unflavoured), cheese, fresh vegetables, honey, jams, Tintilia wine, bakery and gluten free salami and sausage.
